Open Municipal Seat, SWAMC Board of Directors

SWAMC is providing notice of an open Municipal seat on our Board of Directors due to a resignation. Article V, Section 3 of our Bylaws require a 30-day notice to all Municipal members in good standing (current FY22 membership dues *must* be paid) to solicit nominees to fill the seat temporarily until the next annual Membership Meeting, which will be held on March 4, 2022. To check current membership status, visit our online [Membership Directory](#), which is updated daily. Representatives of a current Municipal member of SWAMC may submit their own name or nominate another eligible municipal representative (with nominee's permission) by completing and submitting a [Board Candidacy Declaration Form](#).

The deadline to submit nomination forms is Friday, October 15. The SWAMC Board of Directors will appoint the person to the open seat at their regular October Board meeting, scheduled for Thursday, October 21. At the annual Membership Meeting on March 4, 2022, the seat will be up for a vote again for the regular two-year term by the municipal members of the sub-region affected (Kodiak) in their sub-regional caucus.

Please let us know if you have any questions.

Sincerely,

Shirley Marquardt
